JESSICA REESE joined Legacy Commercial Property Advisors in 2024 and specializes in office and medical office leasing, sales, acquisitions, and tenant representation. Her early career in the energy sector—excelling in accounting and natural gas scheduling—sharpened her analytical skills and provided a solid foundation for navigating complex transactions, which she has successfully translated into her real estate career since obtaining her license in 2022.

As a member of both the Oklahoma CCIM Chapter and NAIOP Oklahoma, Jessica is actively engaged in the professional community, further strengthening her market knowledge and network. Her volunteer work with Jenks Public Schools reflects her commitment to community involvement and relationship-building. Jessica's approachable style and attention to detail make her a trusted advisor for clients pursuing strategic property solutions.

Outside of work, Jessica and her husband, Matt, enjoy life with their three active boys—spending time at Grand Lake, cheering on their children's sports teams, and connecting with friends.
